The City of Denver will continue to provide Police, Fire & Ambulance Service and also our three utility services of water, sewer and electricity. We will continue to deploy necessary staff to resolve any emergency service issues with your utility services. We will continue to monitor the COVID-19 situation as it affects Denver and in accordance with Federal, State and Local recommendations and make adjustments as needed.

Utility Customers can mail their payments or drop their payment off at the Utility Payment Drop-Box outside of the East City Hall Door. Cash payments should be put in an envelope and write your name and address and amount of cash on the envelope and put in dropbox; a receipt will be mailed to you for the amount of cash paid.

There is no need to hoard bottled water. The Denver Water Supply is safe to drink. There is no need to boil tap water. Please refrain from flushing disinfectant or baby wipes down the toilet put them in the garbage. The package may say they are flushable but they should not be flushed down the toilet. By flushing them down the toilet it causes the City problems in sewer pipes and pumps. By not flushing disinfectant wipes it will help avoid sewer backups.

Brothers Market has always and will continue to deliver groceries and supplies to any Denver Resident within the City Limits. They deliver on Monday, Wednesday, and Friday of each week. Orders need to be called in by noon phone (319) 406-0004 and then Brothers Market will start deliveries at 2:00 p.m. Download the Brothers Market App for additional savings.
